

The JVC logo is rendered in a bold, red, sans-serif font. The letters are thick and blocky, with a slight shadow effect that gives them a three-dimensional appearance. The 'J' and 'V' are connected at the top, and the 'C' is a simple, rounded shape.

Private MESH Network

JVCKENWOOD

Private MESH Network

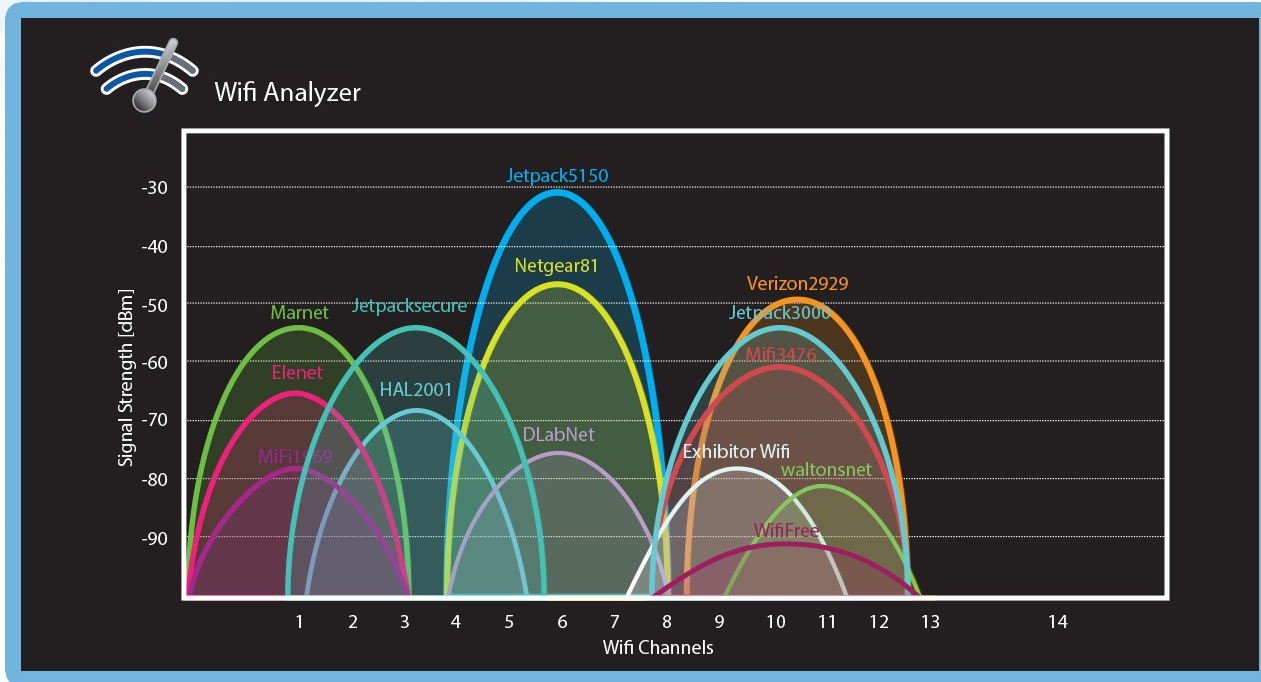

*Ideal for wireless
and multi-camera coverage of
sports, parades, concerts and news*

Private MESH Network

*No cellular congestion worries
Less expensive than microwave
Works with your JVC cameras*

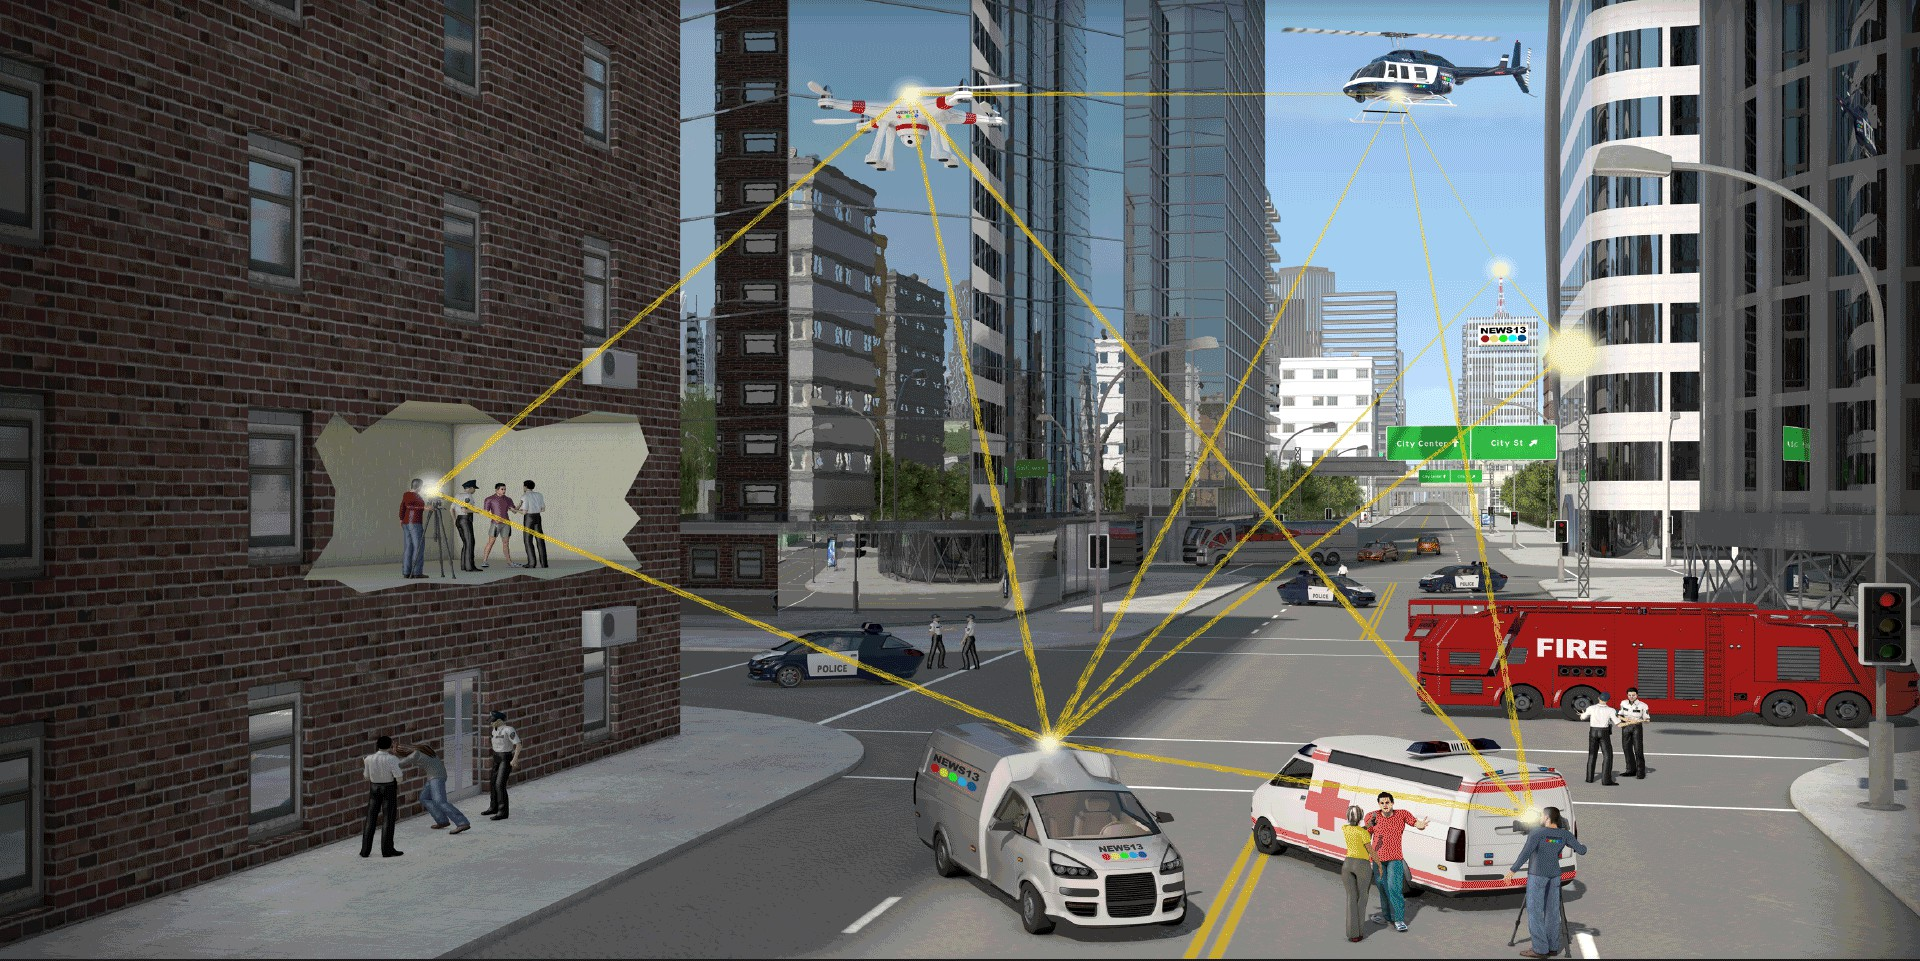

Private MESH Network

Typical Wifi Congestion

Private MESH Network

*Each wireless node becomes
an access point in your network*

JVC KENWOOD

JVC

Private MESH Network

Greater bandwidth than cellular

Better reliability than bonded systems

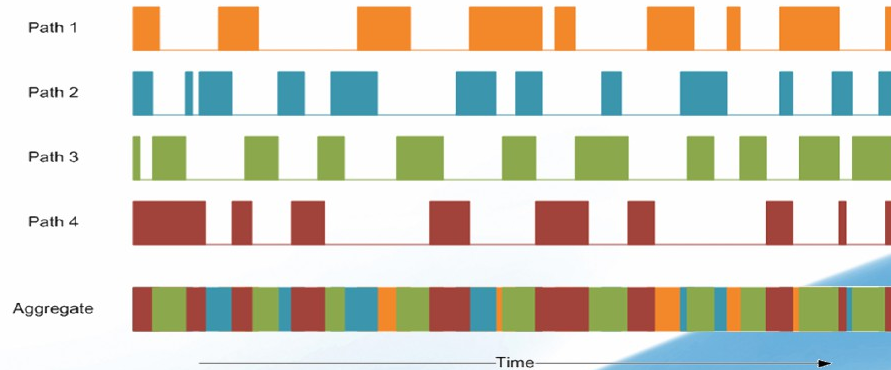

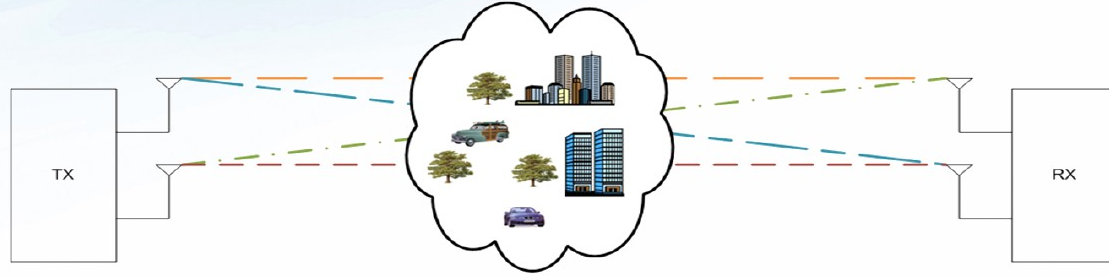

Longer transmission distance than Wi-Fi

Two way communication

Fully flexible, self-healing network

Private MESH Network

Spatial Diversity

Private MESH Network

Ideal for JVC Cameras
Built-in Streaming encoder
Zixi technology with FEC/ARQ
Adaptive bit rate control
