

ProHD Studio 4000S

Compact Sports Streaming Studio

Live sports production and streaming studio in a compact rack unit

ProHD Studio 4000S.

JVC's new ProHD Studio 4000S is a self contained 4 channel, live production and sports streaming studio that offers professional results at an affordable price with a full range of unique features not found in other products in its class, such as Zero Config for automatic JVC camera setup and instant replays with slow motion playback. Dynamic replay camera angle switching, freeze-frame, and ingest layer graphics on/off automation complete the package.

Key features

- ✓ Intuitive and easy-to-use touch screen interface
- ✓ Instant replays and slow motion playback
